## Message

**“Our Lord wishes that all the Brothers are Sweet in the Heart and Humble in the Mind”**

Fr. Adrian Caussanel SJ

SERVANT OF GOD  
Fr. Adrian Caussanel SJ

**Dear Brothers,**

Greetings and wishes to you in the name of the Most Sacred Heart of Jesus!

**“For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?”** (Mt 16:26). We are called upon to ponder over the significance of our souls in this month of November, as we observe All Souls Day with all sincerity and faith. From our day to day life we find people in this world are blindly going after wealth, material gain, power, position, fame etc. forgetting the eternal life. Every one of us would have lost someone dear or near, swallowed by death.

The Lord has given us this day to hold prayers and sacrifices for the commemoration of those who have departed from this world and wait in faith for the promised Resurrection. Death of the loved ones is painful, leaves memories, which cannot be stolen. On this day people will flock to the cemeteries to pay respect to their dearly departed with candles, flowers, and prayers with the hope that their souls be at peace in the company of their Creator. It's an annual tradition practiced by Christians across the world. Church tradition has always urged prayer for the dead, in particular by offering the celebration of the Eucharist for them.

Our sincere prayer can make a soul's life in heaven. Remembering the dead, caring for their tombs and prayers of suffrage are testimony to the confident hope, rooted in the certainty that death does not have the last word on human destiny, as humanity is destined for a life without end, that has its root and its fulfillment in God.

As we know in our own times, lakhs and lakhs of people have lost their life all over the world due to COVID 19 pandemic. One cannot predict anybody's demise. The alarm is given to all human beings to think of their souls which will live forever. Our life has a beginning, but it does not have an end. One day we will die and our

body will be laid in the ground. But our soul will last forever. We need to give importance to the souls for the eternal life. The souls, which are no longer on earth, are waiting for our prayers. Let us remember and offer our prayers for the people who rested in the Lord during this global health pandemic.

As the Church commemorates all her faithful children who have departed from this life, let us remember the members from our family, friends and our pioneer Brothers who have gone into eternity. Till now 159 brothers have entered into heavenly bliss in our Institute. Let us believe that our Brothers will continually assist and bless us from Heaven. As our Founder, the Servant of God, Fr. Adrian Caussanel SJ said, **“I have said Mass yesterday for the brother who passed away and I will continue to pray daily for him. From heaven he will assist you far better than he could have been doing by staying amongst you all”.**

And finally, I wish to remind the words of Pope Francis where he says that “If today we are remembering these Brothers and Sisters of ours who lived before us and are now in heaven, they are there because they were washed in the blood of Christ, that is our hope, and this hope does not disappoint. If we live our lives with the Lord, He will never disappoint us”.

The Lord has given us a wonderful opportunity to live our life with Him for doing good in obedience to the Word of God. Our life, holding the Mighty Hands of the Most Sacred Heart of Jesus, will spontaneously be moulded for the eternal life. We cannot be waiting for a time to come. As we find in 2 Corinthians 6:2, “now is the time of God's favour, now is the day of salvation”.

The ultimate reward of good life in this world is eternity with God in Heaven.

# FOUNDATION STONE LAYING AT MYDANAHALLI

A team of 25 people led by Bro. N S. Jesudoss SHJ travelled to Mydanahalli, Bangalore on 12th September, 2020 for the foundation laying ceremony of the "House for the Brothers". The staff of the Society, along with Bro. A. Divianathan SHJ, Bro. S. Christuraj SHJ and Bro. D. Irudaya Raj SHJ, participated in the event. Bro. S. Thomas Robert Edward SHJ and Bro. A. Gnanapragasam SHJ from Hindupur Community also joined us at the venue in order to pray and bless the event.

At Mydanahalli, we had a prayer invoking the blessings of the Almighty and Fr. Arul from 'Sons

of Divine Providence' shared the Holy Word. Fr spoke about the importance of the Hand of God in the construction work by sharing from Psalm 127:1 "Unless the Lord builds the house, the builders labour in vain".

After prayer, sweets were distributed to all the people gathered. This is indeed the beginning of many more good things to come in the context of assisting the villagers to live a sustainable socio economic life.

This event was scheduled to be held much earlier, but due to the delays in getting the power supply

from the government authorities as well as the sustained lockdown owing to COVID-19, there was a slowdown and things did not occur as they were planned. Many pending applications for the supply of power for the agricultural lands owned by the nearby villagers have caused a delay in our application being attended to by the local village office. Additionally, the delay due to the COVID outbreak has deferred the commencement of the construction work due to the unavailability of the labourers since most of them are migrant workers.

# A Tribute To...

## REV. BR. M. MARIANNA DASARI SHJ

## REV. BR. V. JAMES ELANGO MUTHAIAH SHJ

Rev. Br. M. Marianna Dasari SHJ, a faithful devotee of Mother Mary as we find Maria in his name itself, had an ambition when he was young that one of his family members should wear Cassock to serve the Universal Church of Christ. His compassionate and devoted parents Mr. Dasari Mathiyas and Mrs Desari Salomi lived a humble life at

Nekkallu in Andhra Pradesh. His father passed away when he was just four years old. His elder brother Mariadas took the role of a parent and supported Rev. Br. M. Marianna Dasari SHJ until Mr. Mariadass got married. By then Rev. Br. M. Marianna Dasari SHJ was in the Junior College.

God chose him during his days of Junior College to join St. Joseph's Brothers Congregation where he served for thirteen years. When St. Joseph's Congregation was suspended, on the invitation of Rev. Br. M. Antony Cruz SHJ and by the will of God, he joined our Brothers of the Sacred Heart Congregation. He joined our Congregation as a Postulant in 1992, professed his First Vows in 1994 and Perpetual Vows in 2001. He was the Silver Jubilarian to praise the Sacred Heart in 2018. From the day one of his joining our Congregation, he was an ardent prayer warrior, staunch Vocation Promoter and an advocate for the uplift of poor student, until his least breath on September 10, 2020.

Special mention must be made about his vibrant efforts in promoting vocation. We can call him the champion of Vocation Promotion. He lived the charism of our Congregation. He mingled freely with all sorts of people, especially he was moved by the love of the poor and the marginalised. In spite of his physical ailment, he was always enthusiastic, joyful, friendly to children and youth, having the sole objective of promoting Vocation. He stands as a role model to our Brothers in these aspects.

If we live, we live for the Lord and if we die, we die for the Lord. So whether we live or die, we belong to the Lord. - Romans 14:8

Born in a big family of seven children, Rev. Br. V. James Elango Muthaiah SHJ was the sixth one and they all were blessed to live in their residential house just behind the St. Xavier's Cathedral, Palayamkottai. As such, the church bell as well as the services was so audible that they were drawn to the church regularly on time. This itself gave a strong foundation to our Rev. Br. V. James Elango SHJ to live a spiritual life when he was a school boy, leading to his initial stage of Formation as Aspirant. He did his Secondary and Higher Secondary schooling at St. Mary's Higher Secondary School, Vickramasingapuram.

During his Formation as Novice and Tertian, he practiced extraordinary qualities of calmness, quietness, serenity and patience, becoming a role model to his fellow formees. He had the talent to play musical instruments. He became a trained teacher from Christu Raja Teacher Training Institute and took up his teaching ministry in our Congregation. During his tenure as teacher in Soosainagar, he used to visit our school for the Visually Impaired at Amali Nagar. God utilised his musical talents to teach music to the visually impaired children and Rev. V. Br. James Elango SHJ took efforts to start a Music Troop, which later became one of the best music groups on the banner, Amalarakkini Orchestra of the Blind.

The administrative role of Rev. Br. V. James Elango Muthaiah SHJ deserves to be recorded in golden letters in our Congregation. Be it the responsibility of Headmaster of school, Superior of Community, Director of Hostel/Home and Procurator General of Province, Rev. V. Br. James Elango SHJ stood as a star to start new initiatives. The English Medium School at Ramnad, stands as a stunning example for this. He took vibrant efforts in getting recognition from the Government Department for our English medium institutions.

Rev. V. Br. James Elango Muthaiah SHJ was admired for his unique qualities of Simplicity and Sweetness all through his life as he used to call his fellow men, "BOSS". In return he was also called "BOSS". His companionship was enjoyed by everyone, especially by all the Brothers. Without giving burden to anyone, he breathed his last on September 29, 2020. He will always be remembered as a devoted Brother, passionate administrator and humility & sweetness personified.

## CHILDREN'S DAY

As we all know, Children's Day is a commemorative date celebrated annually in honour of children on November 14, in order to highlight the Rights, Care and Education of children, on the birth anniversary of the first Prime Minister of India Pandit Jawharlal Nehru, who considered Children as the real strength of a nation and foundation of society.

We, as Brothers of the Sacred Heart of Jesus are bound to celebrate the day as we are entrusted with children in our education ministry, Speaking on the Rights of the children, Jesus said, "Let the children come to me, do not hinder them, for such belongs the Kingdom of God" (mark 10:14).

It is our bounden duty to protect their right to come to the Lord and shepherding them in paths of righteousness is our prime responsibility. Nowadays we come across the news media focussing more about the various forms of abuses encountered by children of our Country. Let us on this day make an assertion to ensure protected and joyful childhood life to all the children.

## FEAST OF CHRIST THE KING

The solemnity of our Lord Jesus Christ, King of the Universe commonly referred to as the Feast of Christ the King is celebrated on November 22, to proclaim the supreme and absolute dominion of the Almighty over all the things created.

As we find in 1 Corinthians 6:20, "For you are bought with a price: therefore glorify God in your body and in your spirit which are God's".

Let us celebrate the day with solemnity and piety and inherit the blessings of the Lord.
